

6800 Alpha Deluxe

NEW

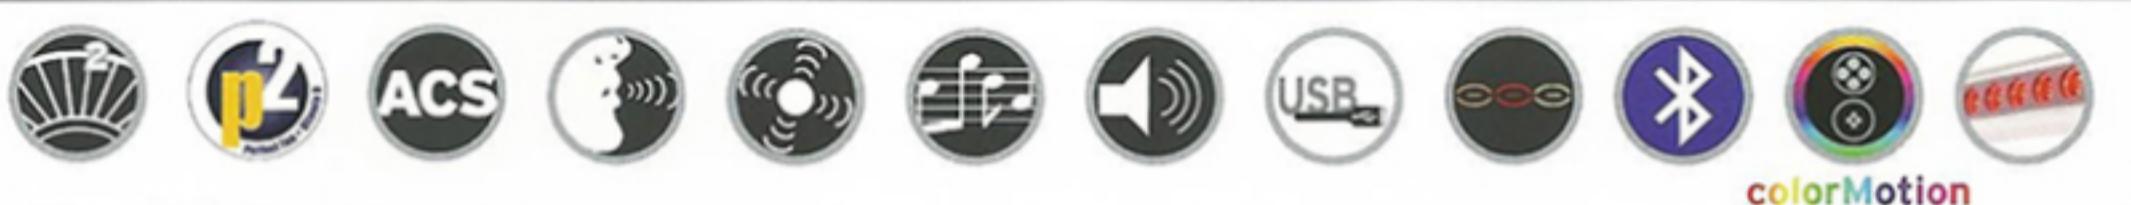

If passion could be patented there only would be the 6800 alpha deluxe. A sun bed that customizes itself to every customer and his or her wishes. The new alpha deluxe series impresses in aesthetic design, incontestable performance, and extraordinary technology as well as with the outstanding performances.

The user-friendly display preSelection, on the outside of the solarium's canopy provides the possibility of choosing an individual setting prior to every tanning session. The intelligent tanning system intelliSun appears perfectly to the high demands and wishes of the customers. The six p2 tubes, provide the EXTRA of UVB. – For a perfect tan, essential bio-positive effects caused by Vitamin D, production and the safe feeling of skin gentle tanning.

The new generation of 40 powerful Ruby-Collagen-Booster brings an increase of hydration as well as revitalization, relaxation and detoxification of the skin. Dry skin belongs to the past! Bluetooth was demanded? Here you go! Only one click, to be able to listen to the own music from the smartphone. Simply genious. Touch blue, touch red, touch green! colorMotion, makes it happen. Choose your own personal preferred color. We were not able to make a decision for one color – you can do it.
